TWIG About

We are a passionate, solid and diverse team from different backgrounds with long experiences in international trade, marketing, digital and finance who met in Dubai, aligned our goals and established TT (TWIG Trading) with a strong determination on adding value to our clients, aiming to build-up a **long-term relation** with them with **full trust and confidence**.

TT is a **privately-owned** full-service trading company located in **Cairo, Egypt** focusing on sourcing of the **Egyptian fruits & vegetables**.

In TT, we are growing variety of products in our **own farms** where we follow a well-organized and efficient cycle of growing, harvesting, and packing, ensuring consistent quality, freshness, and compliance with international standards such as GlobalGAP and GRASP, on top, we are **very well connected** with the biggest farmers of other products in Egypt as well as farming experts in the market.

Our Goal

Where do we see ourselves in the future?

Sky's the limit, however, as a mid to long-term goal we are aiming to be one of the top leading and trusted names to supply Egyptian products primarily from our own farms to our target markets (Russia, Europe and the Middle East).

Our Purpose

How are we going to achieve our goal?

Building trust, adding value to our clients, keep a high-quality standard of farming methods, products and services as well as developing and improving according to the market and our clients needs and as a result maintaining the highest level of satisfaction to our clients.

We are committed

Our Moral Compass

What guides our actions?

Whether we are dealing with our customers, one another or a third-party company, we are committed to our core values that are reflected in all our actions and decisions, creating our company's culture. Our core values are:

- 1- Being trustworthy and reliable; honesty and integrity is number one in our culture with no compromises.
- 2- Respect and valuing others perspective; we listen, understand and put ourselves in your shoes.
- 3- Seeking knowledge and improvement; we believe that knowledge is the key to constantly improve ourselves.

We are proud of our identity & culture

Working with experts and highly educated agricultural consultants, we grow our own crops with care and expertise, following strict quality practices throughout the farming, harvesting, and packing process. Our on-ground team ensures that every step meets the highest standards of freshness, safety, and consistency.”

Since our first harvest, we have received excellent feedback from well-known customers, affirming the quality and consistency of our produce, our **Mangetout Peas** and **Beans** proven to meet the highest international standards.

With the support of our experienced consultants and the latest agricultural methods, we are expanding our farming operations to include other crops like **Sweet Potatoes**.

TWIG Products

Our partners are the biggest farms in Egypt who we have special business relations with, ensuring **lowest price** possible, our QA team is **highly trained on ground** and will always ensure the highest quality possible with no compromises on meeting the requirements of our clients, we take pride our QA team is known for being the “**toughest**” in terms of quality checking.

- **Fresh Fruits:** Our selection of fresh fruits includes **Mango, Strawberry, Grapes and more**, sourced from farms known for their exceptional produce. We understand the importance of delivering fruits at their peak ripeness, ensuring optimal flavor and nutritional value.
